

**KNOW
YOUR
VOTE**

Graphic Design

Know Your Vote needs posters, flyers, button badges, t-shirts, stationery, etc. designed for publicity. We may also need a designer who can work on our website in the near future.

As a graphic design intern you will need to:

- Brainstorm and mock up design ideas.
- Present ideas to the Know Your Vote team.
- Adjust designs to fit the team's needs.
- Come up with time schedules and a budget.
- Use computer software to execute designs- Photoshop and CorelDraw is a must, any other software is an added bonus.
- Work with others, such as printers and programmers.

It helps to have:

- Artistic sensibility and creativity, i.e. an understanding of colour and composition.
- The ability to effectively communicate your ideas to the Know Your Vote team both verbally as well as visually through your designs. Good organization skills and the ability to stick to a limited budget and timeline.
